

Dear FCC Representative,

My choice to PAY for the news, music and other services helped minimize the pain from lost of time, money and opportunities. ?as I?m crawling and waiting for the cars in front of me to move on interstate I-95 almost daily?.

XM's service has made me more informed about both cnn's and fox's pick of what their view of issues are. Also, the update of traffic and wheather conditions at the immediate need point is essential in critical times while on the road.

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Sincerely,
Bernard Doyon
